Advice Given On Influenza

A description of the symptoms of the influenza that is currently reaching near epidemic proportions, and further advice regarding care of one's health, were given here by County Health Director Charles C. Gans, who said:

"Influenza is an acute, communicable, febrile infection, occurring in small and large epidemics, and characterized by great pandemic (world wide) outbreaks. Clinically, it is protean. Commonly there is sudden onset, fever lasting about three days and depression. There is a special tendency to bronchial and pneumonic complications.

"Influenza itself probably never kills. Death is always due to some complications, usually pneumonia. Pandemic influenza acts something like measles in a virgin population.

"Influenza attacks all ages and both sexes. During the 1918-1919 pandemic it was most fatal during the age period 20 to 30, and seemed to have a predilection for strong, sturdy, robust, young men. More females than males were affected, but the death rate was higher among males. It takes the rich and poor alike, the wise and the foolish, the strong and the weak, the clean and the dirty.

"Cases which have come to the attention of the department of public health and welfare in the past few days have been of a mild nature; however, the dangers should not be minimized. It should be borne in mind that epidemics increase in severity as time goes on.

"Fever, headache, aching joints, a feeling of depression and general weakness are the usual symptoms. If you have them, go to bed and call a doctor."

Flaming Story of Adventure

Doris Davenport and Gary Cooper furnish the heart throbs and romantic thrills in Samuel Goldwyn's "The Westerner," the flaming story of an era, which is slated for its premiere at the Fox Sequoia Theater on Sunday through United Artists release.

Against the colorful and adventure-filled background of the Old West, in the days when justice was administered at the point of a gun and roistering Judge Roy Bean loomed as the "Law West of the Pecos," Samuel Goldwyn's "The Westerner," with Gary Cooper in the title role, will have a gala premiere at the Sequoia Theater on Sunday through United Artists release.

Directed by William Wyler from the screen adaptation by Jo Swerling and Niven Busch, "The Westerner" features in the cast which supports Cooper such notable players as Walter Brennan, Fred Stone, Doris Davenport, Lillian Bond, Forrest Tucker and Paul Hurst. The setting of the story is Vinegaroon, Tex., in the roaring days of the '80's.

Citizens' Generosity Takes Care of Family

Generosity of Redwood City residents has again resulted in a family in need finding that this district's people are friends indeed, according to J. W. Dean, service officer of the local Veterans of Foreign Wars post. He said that his recent appeal for furniture for a disabled U. S. army man had brought in plenty of furniture to care for them, and that he and the family itself, Mr. and Mrs. A. McIntyre and their young son, were deeply grateful for the response. Several items that were duplicated were distributed to other families through the county social service department, Dean said.

COMMISSION MEET CHANGED
Because the fourth Tuesday in December is the day before Christmas, the Redwood City Parks and Recreation Commission will meet Dec. 17, the third Tuesday of the month, Miss Helen Smith, secretary, said today.

Listings Increase

San Mateo County's new telephone directory, just delivered here, is bigger than the previous issue by 16 pages and contains some 1600 more names than before, according to R. G. Drake, local manager for the Pacific Telephone and Telegraph Co. Delivery is expected to be completed by Thursday of this week.

Despite the request of County Executive Frederick Peterson who asked the 'phone company to list all the San Mateo County numbers, the book does not include the listings of Brisbane, Bayshore, Colma, Daly City and Lawndale in the north end of the county, and East Palo Alto, Menlo Park, Ravenswood, Rungnede and Atherton, in the south end of the county. These exceptions are listed on the second page of the new directory with the north county towns being listed in the San Francisco book and the south county towns in the Santa Clara directory.

Drake explained that adding these towns' listings to the San Mateo County directory would be too expensive for the amount of service rendered. He pointed out, however, that the listing of these towns that were not included in the directory and where they could be found would be of some help to local subscribers.

The new book, dated December, 1940, includes the Blue Page section which was introduced in the last issue. Its pages contain information on telephone services, and an enlarged table of rates for telephone calls from principal cities of San Mateo County to representative cities in every state and overseas points.

The new edition contains 21,755 alphabetical listings as compared with the 20,118 in the green-covered book it replaces. Business listings in the yellow pages, or classified section of the directory, have also increased from 4046 listings to 4965.

To persons receiving the new directory, Drake issued a reminder to remove valuable notations and papers from the old books before discarding them.

He Who Crows Last -- But Wait and See

It remains to be seen who is going to do the last crowing in the 600 Myrtle St. block neighborhood.

Some weeks ago a few residents there complained to C. L. Dimmitt, Redwood City manager, about early morning crowing of a neighbor's rooster. From other residential areas came complaints of poultry, of animals.

So the council started drafting an ordinance regulating the keeping of poultry and animals inside city limits.

One of the original "rooster" complainants appeared before the council Monday evening to report the neighbor had disposed of the rooster.

The council congratulated the man.

"But wait," interposed the complainant, F. F. Vanderborde, 627 Myrtle St. "The situation is worse. That rooster crowed around 3 o'clock in the morning. The neighbor now not only has a flock of turkeys but a new rooster whose crowing starts around midnight."

The council hopes to adopt an ordinance within a fortnight remedying the situation.

Fast Work of Firemen Prevent Explosion

What might have been a disastrous fire and explosion was prevented by prompt work of the Redwood City Fire Department Tuesday afternoon in quickly extinguishing a blaze in a tar kettle on the Southern Pacific Railroad property at El Camino Real and Jefferson Ave. The flaming kettle was near a tank of butane, firemen reported.

All Race Profits Go To Red Cross Friday

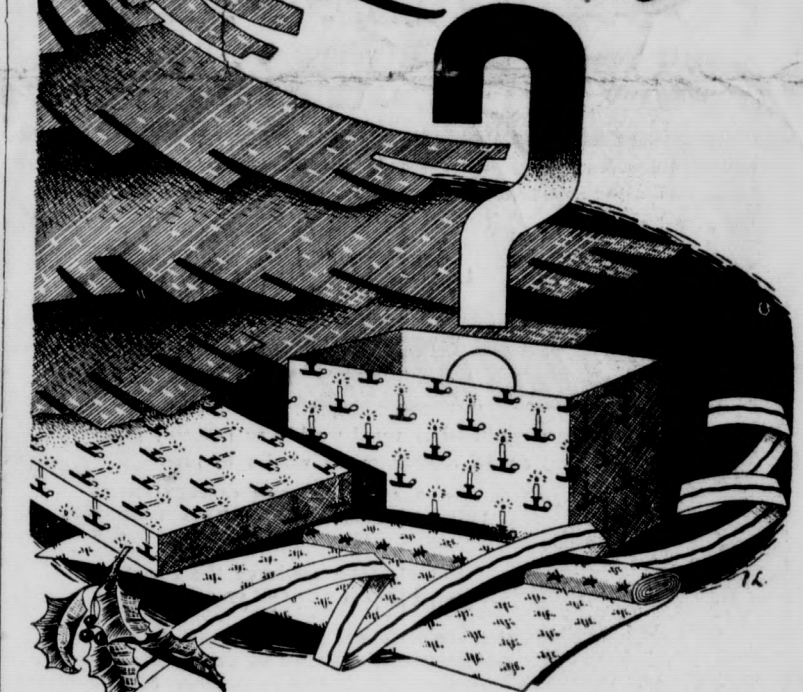

Not gate admissions alone but all profits from operation of Bay Meadows Race Track Friday will be divided equally between Redwood City and San Mateo chapters of the American Red Cross, Wayne R. Millington, local roll call chairman, said here. If a deficit should be incurred, it will be made up by track owners, so that the Red Cross is certain to get something, perhaps a large sum, from the charity day.

MENLO PARK NEWS NOTES

MENLO PARK—Several flocks of wild pigeons were seen here this week. As the season is now open, many were shot. The hills back of Menlo Park are crowded with the birds and the appearance of wild pigeons is said to be a harbinger of rain.

After the first of the year, there are to be several changes in the clerical staff of two county offices at the courthouse. A Menlo Park young lady is slated for one of the positions.

It is rumored that a two-story frame building is to be erected on Santa Inez Ave. by a large chain concern. It is to be used as a grocery store and a meat market with offices on the second story.

Former graduates of St. Joseph's School held a reunion at the institution Sunday afternoon. After an athletic exhibition, a dinner was served in the gymnasium by the mothers and fathers of the young folks.

The pot-luck supper in the Hall of the Nativity Monday night was well attended and enjoyed by 150 persons. After the supper, a dance was indulged in. These festivities will be held at intervals during the Winter months.

The Lions Club and Chamber of Commerce will sponsor a Christmas tree for the children on Santa Cruz Ave. opposite the city hall. A program will be given and gifts will be provided for all.

The large barn on the Merrill estate on Glenwood Ave. is torn down to make way for the subdivision of the property to be sold in half acre lots. It is the choicest home site on the Peninsula. The property will bring a fancy price.

The wholesale branch of the Menlo Market on Santa Cruz Ave., near the depot, was entered sometime Monday night and looted of six cases of ale. The cash register and other merchandise was not disturbed. The store is only 75 feet from police headquarters. No doubt the theft occurred while the night officer was out on patrol. Police Chief Andrews is working on a clue that might result in the arrest of the perpetrator.

Many local sports won heavily on the Big Game last Saturday. One young man pocketed \$80 in choosing Stanford. Another won \$50. Quite a number of bets were

USA Letters Burned In Hillsborough Lawn

Hillsborough — Evidently inspired by pre-game "stunts" such as the burning of letters on university lawns, pranksters burned "USA" in 10-foot letters on the lawn of Mrs. Walter Douglas Main's home in Hillsborough early Sunday.

Mrs. Main's home is directly opposite the Burlingame Country Club, and between the homes of German Consul Fritz Wiedemann and Robert Watts Miller on Floribunda Rd.

The lawn is unprotected by fences or hedges. The despoilers poured gasoline or kerosene on the lawn in the shape of the letters, touched the fuel off with a match, and fled, Hillsborough police theorized.

113,000 Population Seen Here for Jan. 1

The population of San Mateo County will be about 113,000 on January 1, 1941, according to estimates of California Taxpayers' Association. The state as a whole will top the seven million mark by January 1, the association stated, its estimates of population in each of the 58 California counties totaling 7,007,000 persons, based on preliminary census figures.

Nationally, the association pointed out, these 7,007,000 Americans in California are united with the 134,000,000 Americans in a national defense program which will cause tremendous increases in Federal taxes during coming years.

RELIEF PAY CLARIFIED

County Controller Thomas J. Kane said today, in clarifying the recent announcement from Sacramento that relief checks

would be issued by Christmas, that the announcement does not apply to the payments to the needy aged in this county. Kane said he had received word from State Controller Harry B. Riley which explained that the checks referred to in the Sacramento announcement are for unemployment relief.

J. B. Dalziel, Patrolman, Suspended

Ouster charges were filed in Sacramento Monday against J. B. Dalziel, member of the California Highway Patrol in San Mateo County for 23 years, and he was suspended from duty until further action is taken.

Dalziel, at his home, 600 Ninth Ave., San Mateo, declined to comment on charges filed by E. Raymond Cato, chief of California Highway Patrol.

In the charges listed with the State Personnel Board, Cato listed incompetency, inefficiency, inexcusable neglect of duty, insubordination, drunkenness on duty, inexcusable absence without leave and acts incompatible and inimical to the public service.

Capt. E. F. Cassell, county head of the patrol, said the charges were signed by Cato following reports from him.

Actually, Cassell said, there have been only two incidents—both of absences without leave—during the two and a half years he has been in command of this county.

Most of the acts alleged in the charges occurred while Capt. Paul Perussina, who was replaced by Cassell, was head of the county unit.

Present state law, however, permits listings of acts continuing over a period of years and the complaints against Dalziel cover five years, Cassell said.

Dalziel will have 10 days to file an answer with the personnel board, if he so desires. Dalziel has lived in San Mateo County 35 years and served his 23 years with the patrol in this county.

Purchase of New Redwood Area Considered for County

The San Mateo County Recreation Commission has now signed an agreement with the Public Utilities Commission of San Francisco for taking over operation and development of the 7-acre recreation site at Millbrae, and, on another front, today announced plans for a field trip next Tuesday to inspect a 300-acre site adjacent to Memorial Park for possible purchase by the county.

On still another recreation front, the commission granted the application of the Burlingame Lions Club to stage the National Outboard Motor Boat Association racing meet in the bay off Coyote Point next April.

Acquisition of the Millbrae recreation field, just north of the Millbrae Intermediate School, was at the request of the Millbrae Recreation Commission which had developed the San Francisco Water Department

site with \$10,000 raised by public subscription. The Millbrae group reported that further funds were not available and asked the county to take over.

According to Ronald L. Campbell, secretary of the county recreation commission, plans for development of the site at present consist only in an expenditure of \$1200 for completing the adobe building on the property, and \$600 for grading the ground. Future plans have not been made, he said.

Approval of the board of supervisors and County Executive Frederick Peterson having been given, only step remaining in taking over the site is to present the agreement to Peterson for

his approval.

Although Tuesday's trip is scheduled as a routine inspection, Campbell revealed that the recreation commission will look at the 300-acre Pioneer Grove of rewoods on Pescadero Creek adjacent to and east of Memorial Park. He said Memorial Park's 310 acres is overtaxed now, and that additional space should be provided in the county recreation area.

The Pioneer Grove, consisting of a large stand of huge redwoods, is owned by the Western Shore Lumber Co. and the Bloomquist Estate. No price has been set on the property, nor has there been any offer made by the county, Campbell stated.

Judge Acts To Prevent Tavern Rows in S.M.

SAN MATEO—With the expressed intention of preventing a recurrence in San Mateo of tavern rows involving guns, Municipal Judge Arthur H. Stetson, on his own motion, has referred to the county probation office the case of Charles Wolf,

33, jockey agent, charged with disturbing the peace. Wolf was one of five men arrested last Wednesday night after a dispute at the Eagle Tavern, 45 S. Claremont St. Police witnesses and Wolf himself said he was carrying a gun and Judge Stetson branded such procedure as dangerous both for others and the gun carrier.

Atherton Building Shows Substantial Gain

ATHERTON—Atherton building permits in November more than tripled October's figure, a compilation showed today. Permits worth \$33,525 were issued last month compared with \$10,215 for October.

Included in the permits was one issued to Menlo School and Junior College for \$2000 for alterations. The school is building an addition of six single rooms to the El Camino High School Dormitory.

The permits include: E. Clinton La Montagne, owner; Draper & Robertson, builders; house at Atherton Ave. and Seiby Lane, \$14,000.

Robert Morris, owner; J. W. McCabe, builder; house on Fairview Ave., in Atherton Acres, \$4000.

California Home Properties, owner; W. P. Goodenough, builder; house in Green Oaks, \$8000.

Alterations to properties were being made by D. P. Baxter, Menlo School and Junior College, James Puff, Anita V. Wilson and P. E. Rufer, according to the permit listings.

Furniture Salesman Faces Theft Charges

Ernest Siglar, 25, former employee of the Ryan Furniture Co. in Redwood City, was arrested Monday in Los Gatos by Sgt. S. E. Douglass of the Redwood City Police Department on a warrant charging him with cashing a series of checks with insufficient funds.

Dep. Dist. Atty. Burrell Karmel said Siglar, after leaving his salesman's job at the local furniture firm, had cashed approximately 10 checks in all parts of the county as far north as South San Francisco, some of the checks ranging as high as \$50 each.

Siglar, the deputy district attorney said, would show his card, identifying him as a local salesman, in order to establish his identity. He also is wanted on a petty theft charge involving a furniture transaction, Karmel said.

Siglar was being held in the county jail under \$1000 cash bail or \$2000 bond. He has been sought since early last September. When captured, Siglar gave a Mountain View address, the name of Leo Ward. He was working as a house painter.

These Hens Also Lay Large Eggs

Not to be outdone by the hen of Mr. and Mrs. Jack Reuter which was reported Saturday to have laid a 3 1/2-ounce egg, some New Hampshire pullets owned by Otto J. Daniels, Santiago Ave., are striving regularly to pass that mark and, in one case, did so, Daniels reports.

Two 3-ounce eggs were laid by his pullets and Tuesday a 4-ounce egg was found in a nest. Besides being large, some of the eggs have had two and even three yolks, Daniels reported.

An old proverb says the number of snowstorms in any Winter will be the same as the date upon which the first occurs. Thus if snow comes on the sixth day of the month there will be six storms during the Winter.

CROSSWORD PUZZLE

More Damage Is Averted

SAN MATEO—Quick action of trainmen prevented a possible wreck of a Southern Pacific freight train in downtown San Mateo Wednesday when an axle broke on a loaded gravel car.

Traffic was slowed up for hours by re-routing and three commuter trains and a passenger train from Santa Cruz were delayed 45 minutes.

Trouble started when a "hot box" developed on the rear truck of a gravel car. Then the rear axle broke, and two wheels jumped the track. Trainmen quickly "pulled the air" to bring the train to a halt.

The damaged car, which by then had caught fire from the "hot box," stopped just north of the Fourth Ave., crossing. San Mateo firemen extinguished the blaze in the burning floor of the car.

The three commuter trains and Santa Cruz trains were stopped at Hayward Park until the remainder of the freight train could be moved out. The gravel car was the 15th from the end of the train.

A wrecker was moved in shortly before 1 p.m. to lift the car out of the way.

Both north and southbound trains were being routed over the southbound main line and considerable delay resulted.

DENIES DENTAL THEFT

Carroll K. Gill, 41, captured Oct. 16 after allegedly breaking into the Burlingame dental offices of Dr. H. E. Foley, pleaded innocent before Superior Judge Maxwell McNutt Monday and the case was continued for one week to set trial. Gill was charged with burglary after Dr. Foley overpowered him and turned him over to police.

Community Dinner Plans Are Launched

With committee appointments made, arrangements were under way today for the annual Redwood City Chamber of Commerce and Community Organizations' Dinner in the Sequoia High School Cafeteria either Jan. 8, or Jan. 15. The date is yet to be selected definitely.

General chairman of the arrangements committee is J. A. Buhler, his aides including Mrs. Edward D. Murphy of the Woman's Club; Miss Mura Stilleston, Business and Professional Women's Club; Kenneth L. Bowen, Exchange Club; Carl Britschgi, Lions Club; Carl E. Ward, Kiwanis Club; Roger Walsh, United Veterans Council; Edward L. Greeley, Junior Chamber of Commerce.

Chairmen of other committees, selected by chamber of commerce directors late Tuesday, include A. C. Argo, dinner committee; J. Wesley Locker, tickets; William M. Werder, reception; C. G. Lambert, music.

Annual award to the community's outstanding 1940 citizen will be made at the dinner by Redwood City Post 105, American Legion, and the Tribune.

Lewis E. Franklin will be chairman of a committee to arrange the observance of Twelfth Night the evening of Jan. 6. This event is the community bonfire, designed for the twofold purpose of observing the old English holiday and also of disposing of household Christmas decorations and trees and thereby reducing fire hazards.

The first Greek letter fraternity in the United States, Phi Beta Kappa, was founded at William and Mary college, Williamsburg, conductor of electricity.

Many Gifts Received, BUT Many More To Be Needed

Although a number of toys have been contributed already for the community's toystock which is now beginning to grow, many more are needed if Redwood City district's needy youngsters are to have a visit from Santa Claus this year. Headquarters of the toystock have again been established in the old police station on Jefferson Ave., through courtesy of the school district and Supt. Andrew Spinas, and Mrs. Wallace Moore, wife of a Tribune reporter, has undertaken the task of co-ordinating the toystock work for the Tribune, Sequoia Times, Red-

wood City Star-Advertiser, and others aiding in the project, including Robert Poole's shop classes at Sequoia, which are repairing broken toys; Mrs. A. T. Pomeroy of Atherton, who is fixing up dolls; the Redwood City Fire Department, which is aiding in gathering up the toys, and others.

But despite all these benefits for the toy stock, many more toys and gifts will be needed, particularly for larger children. Anyone having such toys that are still usable or can be repaired easily can either bring them to the Tribune office, 30 California St., Redwood City, or telephone the Tribune (Redwood 2000) and they will be called for.

SENT TO REFORMATORY

John A. Peterson Jr., 20, of 563 Beresford Ave., Redwood City, was sentenced by Superior Judge Maxwell McNutt to the Preston Reformatory Monday on grand theft count. Young Peterson was arrested in Brisbane Oct. 7 by San Bruno police after an 80-mile-an-hour chase up Bayshore Hwy. According to the officers he had stolen an automobile in Burlingame Hills.
